Submission:

To include parts of Hill into Flinders and others into Mulgrave is makes no sense to the local electors. Having new boundaries that put different parts of adjacent tableland towns into two electorates is ridiculous. The Tablelands bears no resemblance to Flinders Shire and the whole exercise reeks of orchestrating the removal of a KAP member who keeps winning. The Crisafulli government campaigned on lack of integrity of the ALP but seems to be guilty of the same thing, if the abolition of Hill is legislated.
