This is my revised redistribution. The seven maps (which I screenshotted and saved as PNG files) were created with this tool: <https://auredistribution.neocities.org/>

There are no seats that are over 10% over quota or under -10% under quota. Two new seats have been created and two seats have been abolished. The two

abolished seats are Gaven and Mundingburra.

I propose that the new Gold Coast seat be named Nerang and that the new Ipswich–Logan seat be named Yarrabilba. These suburbs both have Aboriginal names. I also propose renaming Glass House to Irwin (after Steve Irwin), Logan to Logan Reserve and Mermaid Beach to Varsity Lakes.

Please consider my suggestions. Thank you!
