**Submission Topic:** Electorate Boundaries  
**Electoral District:** Burnett

**Submission:**

I am opposed to Baffle Creek and Agnes Water being moved from the Burnett Electorate to Callide. Stephen Bennett (member for Burnett) represents the areas with passion, is dedicated to the area and is very supportive of the local NFP groups. If the areas are moved to the Callide Electorate, I feel being such a big electorate, we will not receive the same support.
