To Whom it May Concern:

Re: Proposal to abolish the Electorate of Hill

We wish to express our concern regarding a proposal to abolish the electorate of Hill. This would be a devastating blow to communities across the Tablelands and Cassowary Coast. We are in danger of losing a dedicated representative who has been fighting for the north in Brisbane.

North Queenslanders have the right to fair representation. Rural areas such as Hill do not have access to the many services that are available to residents in the South East Corner of Queensland.

This electorate provides a wealth of produce to the State :- agriculture ( avocados, sugar cane, bananas, small crops, which in turn provides employment for hundreds of workers) mining (tin, gold, tungsten) , small businesses (who in turn benefit).

We need an ongoing representation for our area, from a member who has worked tirelessly for many years, not to be lost in another city electorate.

We hope the concerns of the people of this electorate will be heard, and common sense will prevail.

Yours faithfully,

Graham & Lyn Byrne
