Submission:

The Fraser coast area is a large catchment consisting of Hervey Bay, Maryborough and Howard. With living in the Craignish area we are listed under Maryborough however we never see the member of parliament for that area and we see more of the Hervey Bay member because Hervey Bay is about a 10 minute drive not a 40 minute drive. I rarely drive to Maryborough and now seem to have no federal member input into what occurs in Hervey Bay due to this change. This will also include Howard/ Burrum Heads which is again close to either Hervey Bay or Maryborough then it is Bundaberg (Burnett region). When my family visited the electrical commission in Canberra they were shocked that we don't know who we are voting for as we don't see the person nor know anything about them to the point sometimes when googling there is also limited information. We should just be put into Hervey Bay region and divide it in half with two political parties to work that area.
