Name: Leonie Jennings
Submission Topic: Electorate Boundaries
Electoral District: Cook; Flinders (formerly Traeger)

Submission:

I would like to request the boundary is changed so we, and our neighbours are included in the same electorate as the town of Mareeba. We live only a couple of minutes from the PO and it is proposed we are in a different electorate to the town.

Community is important in rural communities and this redistribution is ostracising us and our neighbours from our community.
