**Submission:**

To the Queensland Redistribution Commission,  
I object to the proposed renaming of the Scenic Rim electorate to Beaudesert. As someone working in the region, I see the Scenic Rim as a connected area made up of multiple towns and communities, not just Beaudesert. The name Scenic Rim better reflects how people live, work and travel across the district. The Scenic Rim identity is also important for local jobs, particularly in tourism and hospitality, where the region is marketed under one unified name. Changing the electorate name risks creating confusion and does not reflect the true community of interest.  
I support retaining the name Scenic Rim
