To Whom it Concerns,

Why is Australia still not honouring the First Nation people of this land?

Why does the Government still think this land is theirs? Why don't you acknowledge the fact that the British STOLE THIS LAND AND SLAUGHTERED THE PEOPLE WHO LIVED HERE? Why is the First Nation People still having to fight for a LAND WHICH IS THEIRS.

All the people who live in Australia WHO ARE NOT FIRST NATIONAL PEOPLE are EMIGRANTS.

Stop placing restrictions on people who own this land and please use your positions of authority with Compassion not power, control and ego.

Yours sincerely
