**RE: OBJECTION TO MOVING HIGHFIELDS INTO THE ELECTORATES OF EITHER NANANGO OR
CONDAMINE**

FROM: REGINALD RUBIE [REDACTED]

I oppose moving Highfields out of Toowoomba North Electorate. Highfields is no longer a rural area but has become a commuter suburb of Greater Toowoomba. Highfield residents need a local member close to the area to advocate for infrastructure improvements with Toowoomba Regional Council. They rely on Toowoomba Regional Council for water, sewerage, waste disposal and roads.

Many Highfields residents work in the Industrial area of Wilsonton near the Airport. Quite a few of these businesses are owned by Highfields residents who need access to solicitors, accountants, business advisers and sharebrokers located in Toowoomba. They also need to be close to the local member to deal with state issues relating to their businesses.
