Submission Topic: Electorate Boundaries
Electoral District: Hill

Submission:

The Atherton Tablelands is currently experiencing a tumultuous time with many council assets being sold off and the forced closure of public toilets and amenities. There are major congestion and drainage issues around many towns as well.

This region has had an influx of new residents since covid and it really shows in the public facilities and connecting roads. Without proper representation of our towns, we risk not being heard in Brisbane. It is widely believed that the QLD government is only interested in looking after Brisbane and south East QLD, this seems to be true when our electorate in fnq is being abolished. We don't have Public transport, we don't have a police force who works full time, we do not have enough beds in our our hospital. This will only continue to get worse if Hill and our representatives are taken away.
