**Submission:**

The removal of my Electorate of Hill serves no purpose what so ever for the people, businesses and Rural enterprises within this Electorate. All it will accomplish is enable the addition another City seat in Parliament who do not have any knowledge or understanding of issues facing rural Queensland, removing one of the few Rural Politicians who actually live and work in rural Queensland will further distance Parliament from rural Queensland. With 12 rural seats representing 98% of Queensland and over 60 seats in Brisbane/SE Corner representing 2% of the State is just gerrymandering in its worst form. Leave the Electorate of Hill stand as rural Queensland need a greater voice in Parliament, not less.
