To whom it may concern,

I'm reaching out as the President of Narangba Eagles Football Club to express our concern about the changes proposed to Kurwongbah electorate boundaries – specifically the splitting of the Narangba Valley community into different electorates along Young Road, Narangba.

If these changes were made, our club would be located on the fringe of the Morayfield electorate, our clubhouse being only a few hundred metres from the State Member for Kurwongbah, Shane King's office. We have worked closely with the State Member for many years and have appreciated the proximity of the office when the club and individual members need assistance with State matters.

We have a strong, cohesive community here in Narangba Valley now, with shared interests in local sports and service hubs and supporting local business together. The changes proposed for our part of Narangba are confusing and many members within our club have already aired their concerns.

Thank you for your time.
