Not sure why it would even be considered to move Highfields out of Toowoomba North. Most Highfields residents including ourselves have numerous links to Toowoomba and this is particularly evident at peak times on the highway linking Highfields to Toowoomba. Personally our child attends school in Toowoomba which entails a daily commute. We as Highfields residents use the health services available at the hospitals in Toowoomba. We also use gym facilities in Toowoomba that specialise in assisting me following a health issue. This list could go on and on but we are hoping some common sense is used and Highfields is retained in Toowoomba North! We fall under Toowoomba Regional council so why move the state boundary to suit one party?
