To whom it may concern

I oppose moving Highfields and Cabarlah into Nanango or Condamine. As it is far removed from the rest of the electorate and would not reflect common interests. Highfields and Cabarlah should remain in the Toowoomba North electorate. We use all of the Toowoomba facilities for our daily life, such as transportation, ammenities, study, eventually schooling for my children if/when I have them, public services and medical with in north toowoomba. I believe that it would better serve as our representative electorate, than if it were to move into a different electorate. Due to its proximity to Toowoomba, it allows for accessible representation that reflects how we live, please keep Highfields and Cabarlah within Toowoomba North.

Sincerely.

Tim O'Brien
