Submission Topic: Electorate Boundaries
Electoral District: Gympie

Submission:

1. Gympie gets minimal funding and needs the Mary Valley to help support funding for services.
2. Sunshine Coast should not be able to take the jewel out of our region to add to theirs.
3. The Govt is using this as a way to reduce support and weaken our fight for services.
4. It is a waste of money and resources to keep changing these boundaries everytime you feel like it.
5. Give Gympie support and stop robbing us dry. We are not your dumping ground.
6. These proposed changes will leave everyone in the region worse off.
