Brisbane 4001.

Dear Sirs,

I realize that we here in Far North Queensland don't exist for those of you in the SE Corner, but I cannot stand by and watch you take away our representative for Hill, Mr Shane Knuth, away from us.

If there is a problem that one of his constituents have, no matter how small, or large, he will do his utmost to find a solution, or bring it up in parliament if needs be. To take him & Hill away from us is nothing short of criminal.

I am very happy with the performance of our current government, but not at all happy with this mindless idea. I OBJECT! very strongly.

Thanks you
Pali Pout.

P.S. Remember the huge mistake of Council Amalgamation?
