Submission Topic: Electorate Names
Electoral District: Ipswich West
Related Submissions: Renaming Ipswich west

Submission:

We live in west Ipswich but not in the electorate of Ipswich west . This anomaly causes confusion to many people including candidates for Ipswich west who often assume west Ipswich is in the electorate. We are happy that west Ipswich is part of the Ipswich electorate. I suggest renaming Ipswich west to better reflect its location or adopt a non geographical name. In fact a lot of the electorate is north Ipswich so a non geographical name might be the best solution.
