Subject: Submission to abolish Hill

Simon here,for crying out loud leave Hill alone.!!

We've been shifted from pillar to post in the past 10 years.

We don't need to be bunged into another/different/newly formulated electorate.

First it was Labor now it's the LNP.

Haven't the pair of them got it into their collective heads the Shane Knuth is EXTREMELY popular!!

Hence the reason for the pair of these two 'tow the line' parties want to try to extinguish him from the polls next time round.

Tell the LND to go shopping somewhere else [REDACTED].
