Submission Topic: Electorate Boundaries
Electoral District: Pine Rivers
Related Submissions: Change of boundaries - unethical

Submission:

I am a citizen of Pune rivers and have been for 22 years. The liberals cannot just change electoral boundaries to suit themselves. This is extremely unethical if not on the verge of corrupt and heading back to behaviours in Queensland I thought would not be revisited. This cannot be allowed. I think the liberals have lost sight of who votes for them if they think that only suburbs considered as "blue collar suburbs" are not their fan base.
