**Submission:**

I wish to formally OBJECT to the jerry-mandering of the electoral boundary dividing residents of Eumundi by using the 'Great North Railway' line rather than the Bruce Hwy. I suggest in order to balance/equalise elector numbers, there's plenty of scope to adjust the boundary of the Hinterland areas across Sunrise/Wust & other roads with Noosa LGA.

Having to accept the 'proposed' electorate boundaries means that Eumundi Residents will be divided on issues, possible political parties & inconsistent decisions that may effect the precious village that we all treasure.

Please re-consider retaining Eumundi as a whole rather than a split environ.
