Submission Topic: Electorate Boundaries
Electoral District: Aspley

Submission:

Splitting the suburb of Geebung between 2 different electorates is not right. It will turn into a dog fight of sorry - you are on the wrong side of the road for me to look after you- go to the other counselled. Big community places like Geebung RSL and the train station would be under Nundah instead. Put ALL of Geebung into one or the other electorate. I don't mind which, just keep us together.
