I believe that Calliope and the 2nd half of Benaraby should return to the Gladstone electorate rather than being in Callide. Most if not all people that live in those areas work in the Gladstone region. It's kind of silly that they would be required to vote for a different electorate than the one they actually live and work in. The Gladstone local member is ~20km away, where as the member for Callide is ~100kms away.
