Submission Topic: Electorate Boundaries
Electoral District: Maiwar;Moggill
Multiple Signatories: No

Submission:

Maiwar currently has 4000 more electors than Moggill. Maiwar population growth is more rapid with higher density development in Indooroopilly and Toowong. Suggest the area south of Witton Road encapsulating the Fig Tree Pocket area be moved to Moggill. This is a low density area which won't grow substantially, but is more in line with the Moggill electorate.
