You don't often get email from [REDACTED] [Learn why this is important](#)

I have just read in our local paper that the LNP are proposing to have Hill abolished. I can not believe what I am reading.

Our representative Mr Shane Knuth has done an excellent job for us. At least we know that if one has a problem, he will do his absolute best to find a solution.

I can assure you, that if this proposal is successful, I will not be voting for the LNP.

Hopefully, when others hear of this proposal, they will do as I have done, and object very loudly.

Thank you.

Cali Court.
