**Submission:**

It is absolutely ridiculous that anyone should want to remove Strathpine, Lawnton, and Bray Park from the Pine Rivers electorate. It's totally unreasonable: Pine Rivers Park is in Strathpine, Pine Rivers Bowls club is in Lawnton, Pine Rivers PCYC is in Bray Park. Pine Rivers High School is in Strathpine. The Pine Rivers Show Grounds too!

Pine Rivers Football Club is located in Bray Park. It's actually located at Wendy Allison Park. She was my grandmother. She was a councillor for the Pine Rivers Shire Council, decades ago.

I grew up, lived, and went to school in Pine Rivers. I still live in the Pine Rivers suburb of Lawnton.

How dare some politicians arbitrarily and wrongly attempt to redefine the borders of the Pine Rivers electorate. It's akin to suggesting that Coolangatta no longer be a part of the Gold Coast.

Pine Rivers is Pine Rivers. Caboolture is NOT Pine Rivers, and will never be associated with Pine Rivers.

Strathpine, Lawnton and Petrie – situated between the North Pine River and South Pine River - are the heart of Pine Rivers.

Please don't let some ignorant politician who wants to move the goalposts for political reasons, remove "us" from the electorate.

I mean, come on. Seriously? It doesn't pass the pub test and it stinks!

Look up Pine Rivers on Wiki and online. The suburbs at the heart of it should not be scrubbed away from the electorate. The very suggestion has the ick factor.

And for what purpose? The LNP trying to redistribute the votes. We're not having it. We wouldn't be having it if it was Labor - or ANYONE - trying to do this, either.

Pine Rivers is Pine Rivers. Leave Pine Rivers alone!
