I am writing to suggest that if the seat of Hill is to be lost that the Cassowary Coast Region should be redistributed to the north and joined to Mulgrave. This would give the region opportunity to have representation by a major party. The region we live in is closer aligned with our northern partners given the proximity of sugar industry partners, tie in with our port and the partnerships our region has for example being under the Cairns and Hinterland Hospital and Health services. I look forward to working together to reach a solution that would see greater benefits for the Cassowary Coast Region.
