**Submission:**

Adding the Ipswich suburbs of Chuwar, Karalee and Barellan Point to Moggill electorate causes a disconnect - Moggill is part of the Brisbane City Council not Ipswich therefore my priorities as a resident of Moggill are not those of residents in the Ipswich Council - there is no shared infrastructure and my priorities are at risk of being affected by such a redistribution. I say NO to the suggested redistribution - if redistribution is required consider adding suburbs that are a part of the Brisbane City Council.
