Submission:

The current Glass House boundary is jarring. The center of Glass House is Maleny and the Sunshine Coast hinterland. Culturally, geographically and politically, which is distinct to the Sunshine Coast. Glass House currently even encompasses Moorina - south of Caboolture. I can't emphasize this disconnect enough.

The Glass House electorate is much more aligned to towns like Palmwoods and surrounds, Mapleton, Dulong and other towns "on the range".

So the new Glass House boundary should remove Woodford and Caboolture to the south and bring in more northern towns in the Sunshine Coast.
