Submission:

please change the boundary of Everton and Aspley in Bridgeman Downs. There is currently a small portion of Bridgeman Downs which is in Everton and a small portion of Albany Creek which is in Aspley. This causes confusion at election time and both these areas are ignored by the local MPs as they are not connected to the rest of the electorate and do not have a significant block of voters to be of interest. It would be in the best interest of all electors to be in the same electoral district as the vast majority of their respective suburbs.
