Submission:

As a resident of Highfields, Toowoomba is where my children school, I do the bulk of my shopping (except for some groceries) and our sporting activities and medical practioners/ facilities are all in Toowoomba, so removing us from Toowoomba North would not allow us to have any say in what happens in, and to, our main local area. Having raised this topic with our neighbours, and colleagues who also live in Highfields, they are all of the same opinion. We need to remain in Toowoomba North.
