Submission:

I suggest that all of the localities within **Noosa Shire** are combined into the electoral district of **Noosa**. This would allow voters currently registered in **Federal, Ridgewood, Black Mountain, and Cooroy** to have the same state representative as the rest of the **Noosa Shire**. Removing these four localities from the electoral district of **Nicklin** would allow that electoral district to be part of the redistribution required across the electoral districts of **Glass House, Buderim, Kawana, and Caloundra**, along with **Ninderry and Maroochydore**, due to the massive residential development in all these electoral districts, with significant population increases in recent years and continued projected population growth over the next several decades. **Noosa Shire** has much slower development and population increases compared to the electoral districts located in **Sunshine Coast Regional**, so adding the localities of **Federal, Ridgewood, Black Mountain, and Cooroy**, contained in **Noosa Shire** to the electoral district of **Noosa** allows for stability of that electoral district for many years to come.

Sincerely
Gavin Keeley
