“I oppose moving Highfields into Nanango or Condamine. Highfields should remain in the Toowoomba North electorate. Our daily work, school, health and community life are centred in Toowoomba. For accurate, accessible representation that reflects how we live, please keep Highfields within Toowoomba North.”

My religious connection as well as entertainment is also based in Toowoomba City. Whenever any serious shopping is considered Toowoomba City is our local centre.

To conclude, as an elector of this Electorate I would submit there is no reasonable argument to realign boundaries to make Highfields part of Nanango or Condamine. These are very rural Electorates and with the massive current residential and planned developments in the Highfields and surrounding areas such as Meringandan causing rapid current and future population growth and building activity in this area, the current and future outlook for this area is very much aligned with what else is occurring in Toowoomba, in other words, Highfields is changing from a rural village to being an outer Toowoomba suburb with which it has far more commonality than with Nanango or Condamine.

Please keep Highfields as a part of Toowoomba North.

Thank you

John Wilson, a resident of Highfields since 2009
