Submission:

We in Highfields are 100% Toowoomba NORTH, and nowhere near Condamine (which is WEST Toowoomba). In fact, it's quicker for community members to travel to Toowoomba CBD, then from many outer Toowoomba suburbs. Our health, transport, education and commerce are all intrinsically tied to Toowoomba, so any decisions made regarding growth, and provisions of services needed in Highfields need to be driven by Toowoomba North, and not Crows Nest or Condamine, which are both significantly further away. Please do not change the current electoral boundaries.
