**Submission:**

To the Queensland Redistribution Commission,  
I object to the proposed renaming of the Scenic Rim electorate to Beaudesert. I have grown up in the Scenic Rim and see it as a region made up of many communities, not just one town. The name Scenic Rim is what people my age (I am 19years old) recognise and use when talking about where we live.

It reflects the whole area, including places like Tamborine Mountain, Boonah, Canungra and Mt Barney, and not just Beaudesert. It's also the name that is used by local businesses, tourism and community groups, and is how people outside the region know us.

Changing the name back to Beaudesert does not reflect how the region is seen today and could create confusion. Definitely not how young people perceive th whole region ! For my generation, Scenic Rim is the identity of the region, and I believe it should be kept.

Thanks,  
Ace Gregory
