To the Electoral Commission,

I am writing to formally object to any proposed changes to the boundaries of the Hinchinbrook electorate.

The current boundaries of Hinchinbrook provide fair and effective representation for its diverse communities. Altering these boundaries would disrupt long-standing community ties, dilute local representation, and unfairly disadvantage the constituents who rely on having their voices heard as part of this electorate.

Hinchinbrook is unique in its geography, industries, and community identity. Residents share common interests and challenges, and it is essential that they remain represented together under the current boundaries. Changing the boundaries risks fragmenting this community of interest and diminishing the quality of representation.

For these reasons, I respectfully request that the Hinchinbrook boundary remains unchanged.
