**Submission Topic:** Electorate Names  
**Electoral District:** Beaudesert (formerly Scenic Rim)

**Submission:**

To the Queensland Redistribution Commission,

I write to formally object to the proposed renaming of the Scenic Rim electorate to Beaudesert.

As someone who works in the Scenic Rim region — at Mt Tamborine — I interact with locals, visitors, and businesses from across the area every day. What strikes me is how naturally people identify with the Scenic Rim as a whole: Tamborine Mountain, Canungra, Boonah, and yes, Beaudesert too. It is one connected community, and the name reflects that beautifully.

Reducing this electorate to a single town name does not capture the shared identity that residents and workers across the region genuinely feel. The Scenic Rim brand is also well established and widely recognised — in tourism, in local government, and in everyday conversation. A change at this point would only cause unnecessary confusion without any meaningful benefit. I respectfully urge the Commission to retain the name Scenic Rim.

Yours faithfully,

Deepthi Dayarathna
