I support moving Highfields into Nanango or Condamine. Highfields is woefully ignored by the Toowoomba North electorate and residents are sick of being left to fend for themselves, deal with damaged roads, a lack of vision, infrastructure, and honestly, care. The member for Toowoomba North does not advocate for the Highfields and surrounds community, he is out of touch with what the community wants and needs, and is not driving sustainable growth and development in the area. For many years now, there has been a group called "Hands Off Our Highfields" which advocates for retaining the feel and values of Highfields and the surrounding communities by producing larger housing lots, tree and plant life and a community feel - it's notable that this only became a problem since Highfields was amalgamated into being part of the Toowoomba North Electorate.

Please vote for Highfields to join the Condamine/Nanango Electorate so that Highfields is maintained and grows in the way that Highfields was always intended to be.
