Submission:

I disagree with the submission S-115, proposing that Coolum Beach or parts of, being part of the Maroochydore electorate. The residence of Coolum Beach have a separate identity to that of Maroochydore. The submission provided in S-088 stated that the Noosa electorate is 2.98% under the enrolment quota while Ninderry is 9.33% over quote. Boundary changes as outlined in submission S-088 makes sense. The Noosa boundary could also extend into Eumundi, while the Maroochydore boundary could extend into Bli Bli, if required so as to provide balance.

Thank You
