**Name:** Sandra Fleming  
**Submission Topic:** Electorate Boundaries  
**Electoral District:** Pine Rivers  
**Related Submissions:** Don't change boundaries

**Submission:**

This area is thriving with the current community supports such as the PCYC. Cutting out the suggest suburbs will be detrimental to the vulnerable in our community - this area needs as tight community and that has been organised and led well in the current pine rivers electorate. Don't change the boundaries! You do not have my support for this.
