Electoral District: Toowoomba North
Related Submissions: Highfields to remain in Toowoomba North

Submission:

I absolutely oppose moving Highfields into Nanango or Condamine. (ridiculous suggestion) Highfields community is strongly tied to Toowoomba and should remain in the Toowoomba North electorate. Cannot believe this suggestion has been raised with the majority of Highfields residents travelling daily for work, school, medical needs, hospitals, social events such as movie theatres and shopping centres, large stores eg hardware, electrical appliances and our daily lives are centred and entwined with Toowoomba. Highfields is growing and considered an outer fringe suburb. For accurate, accessible representation that reflects how we live, please keep Highfields within Toowoomba North. What should be looked at is updating and supplying community infrastructure, to support the residents in our wonderful suburb of Highfields, which we consider part of Toowoomba North.
