Electoral District: Condamine; Nanango; Toowoomba North
Related Submissions: S-00110, S-00115

Submission:

I am a resident of Highfields and strongly oppose moving Highfields into a different electorate such as Nanango or Condamine. Highfields should remain in the Toowoomba North electorate. Our daily work, health and community life are centred in Toowoomba. We travel to Toowoomba almost daily and really consider ourselves a part of that wider community. For accurate, accessible representation that reflects how we live, please keep Highfields within Toowoomba North.
