It makes sense for Beerwah and Landsborough to be grouped with Glass House electorate as they are very different to Caloundra suburbs and are on the other side of the Bruce hwy. Aura should still be Caloundra as a lot of Caloundra people who have been priced out of more coastal Caloundra homes live in Baringa, Nirimba, and Banya. Glenview should arguably be in Buderim electorate as it is again across the Bruce Hwy and quite different from the other Caloundra suburbs
