Electoral District: Hill
Related Submissions: Shane Knuth

Submission:

Everyone in FNQ have always had Shane Knuth as our voice in Parliament for years and we will not accept anyone else as he is a local of FNQ. He is a pillar of the communities that he is the voice for and to want to take that away from us is not ok. His seat is needed for us to continue to have a voice. To have someone listen and understand our frustrations and talk to the parliament our needs.
