**Electoral District:** Maiwar  
**Related Submissions:** RE: changing Maiwar electorate boundaries and name

**Submission:**

Dear Redistribution Commission,

I am writing to voice my opposition to changing the Maiwar electorate boundaries. The changes are unnecessary, anti-democratic, and a clear attempt at political gerrymandering.

In particular there is no reason why the electorate boundary should cross the Brisbane River, which is a natural boundary.

As well Chelmer, Graceville, and Sherwood Peninsula is a community with common interests that should not be split across multiple electorates.

And why change the current name, which is memorable, poetic and historic?

Sincerely,

Dr Graeme Taylor,  
St Lucia
