Submission:

Please consider moving the boundaries to include Tamborine Mountain in either Coomera or Logan. We have more in common with those electorates and the people that live and work there, than we have with what goes on in the Scenic Rim.

To whom it may concern,

My name is Mark Spencer and I live at [REDACTED]
Tamborine Mountain.

Where I live is within the Scenic Rim electorate. We have nothing in common with that area. We have more in common with people living within the neighbouring electorates of Logan, Coomera or Theodore. The nearby Electorate of Gaven also has communities we have much more in common with than the Scenic Rim.

If you were to change the boundaries of all of these electorates to accommodate projected population growth, you should have a better representative mix and achieve better quota outcomes.

We on Tamborine Mountain have been stuck for years in a state electorate that does not represent our community of interest.

Regards,

Mark Spencer.
