I am completely against the concept of moving Highfields into Nanango or Condamine electorates. Highfields should remain in the Toowoomba North electorate. My families daily work, health and community life are centred in Toowoomba. For accurate, accessible representation that reflects how we live, please keep Highfields within Toowoomba North.”

Moving Highfields out of the Toowoomba North electorate makes no logical sense and appears to me to be someone's vanity project to divert votes, resources, rates and slow down a growing community.

Thank you for your understanding.
