Submission:

Having Highfields in Toowoomba North, but Cotswold Hills, Drayton and parts of Darling Heights and Glenvale in Condamine doesn't make any sense. Moving Westbrook into Toowoomba South doesn't seem much better.

Would it be possible to move Highfields out of Toowoomba North, move the southern boundary further into Toowoomba South and move Drayton, Darling Heights and Glenvale into Toowoomba South?

Ideally all of Toowoomba should be in Toowoomba North or South, not Condamine. Highfields doesn't really fit in Condamine, but it doesn't fit that well in Toowoomba North either.
